Dear Coach (insert last name here):

I am a high school sophomore beginning my search for opportunities to play soccer in college and get a great education. I am looking for a program that will allow me to play in a soccer program and study for a career in XYZ. I have researched your school and soccer program and it seems very well suited to my needs and interests.

I attend Ridgefield High School in Ridgefield, Washington. I have a cumulative GPA of 3.7 on a 4.0 scale. My coursework is made up of a rigorous program of honors and AP classes.

I play outside back but I have also played center midfield and forward. My coach will tell you that I have a positive attitude and am very committed to improving my own skills as well as the overall performance of the team. I always put the team first.

In this package, I have included the following: my resume, a copy of transcripts, and references.

I would like to obtain more information about your school and soccer program. I would very much like to visit your campus and meet you and perhaps some members of your soccer team. Thank you for your consideration.

Sincerely yours,

Mia Hamm
